JOIN QUESTACON STEM FUTURES: EMPOWER STEM EDUCATION IN YOUR SCHOOL

Are you passionate about enhancing STEM learning and engagement for students? *Questacon STEM Futures* offers a unique, free professional development program designed to elevate STEM education by fostering collaboration between schools and their local communities. Delivered over six months, this program provides invaluable resources and connections to help you succeed.

WHY PARTICIPATE IN QUESTACON STEM FUTURES?

- **EMPOWER TEACHERS**
Strengthen your ability to design and implement effective STEM programs that inspire and engage students.
- **SUPPORT SCHOOL LEADERS**
Gain the tools and knowledge to cultivate a thriving STEM culture within your school.
- **BUILD CONNECTIONS**
Connect with STEM providers and local industries to create a robust network of support and innovation.

By joining *Questacon STEM Futures*, you will be part of a professional development opportunity that energises participants, facilitates knowledge sharing, and drives meaningful change in schools. Together, we can create a future where STEM education flourishes and every student has the opportunity to excel.

GET INVOLVED TODAY!

Visit our website to learn more and register for the *Questacon STEM Futures* program. Let's collaborate to inspire the next generation of STEM leaders and innovators!
